Description

OVERVIEW

In the hunt for a great trailer that can tackle your toughest jobs but tow like a dream? Check out the all new ETB14 from Iron Bull. 14,000 lbs of Gross Vehicle Weight Rating ensure you have enough capacity for your heaviest loads and expert craftsmanship combined with top-tier components ensure you have an effortless tow. It's a great fit for work and play. Dexter Nev-R-Adjust brake axles and radial tires provide a solid foundation for each Iron Bull equipment trailer and ample grip for stopping power. Sherwin-Williams Powdurda Powder coat gives each trailer a rugged finish with a showroom shine. USA made, lifetime recessed LEDs are provided by TecNic lighting. Each Iron Bull Trailer also comes equipped with a stake pockets, pipe spools and rub rail, removable diamond plate fenders, and adjustable coupler. Our 83" wide 14k bumper pull is by far our most popular equipment hauler model, but is also available with a 102" wide deck. With two 7k Dexter Axles and tons of standard features, this model is a perfect fit for work or play. Add a host of options including dove tail, and flip up ramps to customize your build today.
