**Description**

**OVERVIEW**

Our biggest addition to our dump trailer lineup this year, the DBG Gooseneck Roll-Off Dump Trailer. First we designed a trailer frame that could handle the heaviest of loads with a 12" 19lb I-beam neck and 10" frame. Built with 2 7,000lb electric brake axles to get you to the job site and back again and a TH-520 scissor hoist for maximum lifting power- this trailer can haul! Add a bin of your choice with 48" 10 gauge sides, 4 1/2" DIA front and rear rollers and 22k winch system designed to handle any situation you throw at it.
