Description

OVERVIEW

The smallest entry in our subcompact tractor lineup is perfect for the small property owner. The 1022H Sub-Compact Bad Boy Tractor boasts 22 horsepower and over 600 pounds of lift capacity to allow you to stop breaking your back. Featuring four wheel drive with high and low range plus a locking differential and cruise control, this tiny powerhouse is built to handle almost anything you can throw at it. Our automatic hydro-static transmission allows even the novice tractor user to feel comfortable behind the controls and get right to work. With a standard skid steer style front end and Category 1 three-point hitch its quick and easy to attach a variety of implements including our front loader and backhoe.
